

2026
EMSO
Symposium

15-16 APRIL | OTTAWA, ONTARIO

EMPOWERING MISSION SUCCESS THROUGH EMSO

Join us for Canada's premier event dedicated to Electromagnetic Spectrum Operations (EMSO)—a critical capability for modern defense and operational superiority.

WHY ATTEND?

DISCOVER CANADIAN INNOVATION

Explore cutting-edge intellectual property and technologies developed by Canadian companies

CONNECT GLOBALLY

Engage with domestic and international supply chain partners and build strategic alliances

GAIN EXPERT INSIGHTS

Hear from industry leaders on current and future Canadian programs shaping the EMSO landscape

YOUR BENEFITS

- Direct access to subject matter experts
- Hands-on exposure to advanced EMSO solutions
- Opportunities to collaborate and plan

EXPERIENCE LIVE DEMONSTRATIONS

Witness real-time solutions addressing operational requirements on the exhibition floor. See technology in action and understand its impact on mission success.

WHO SHOULD ATTEND?

- Canadian Armed Forces (CAF) Members
- Defense Industry Professionals
- Government Stakeholders
- International Partners

DON'T MISS THIS OPPORTUNITY TO STRENGTHEN CANADA'S POSITION IN THE GLOBAL EMSO DOMAIN.
